60 minute Spa Facial \$70

Pamper yourself with a rejuvenating spa facial. Includes facial extractions for a deeper clean, upper body massage with scalp massage and a paraffin hand treatment with hand and arm massage. All facials are customized to each clients skin care needs.

Microdermabrasion Treatment \$85

This is a great facial for aging, sun-damaged, acne prone or uneven skin tones. Microdermabrasion sloughs off dead dull surface skin layers, helping to stimulate the skin which helps increase collagen production. This treatment helps to improve tone, texture and the color of the skin. Treatment includes neck area. Add Décolletage for \$25.

Ultrasound Facial Treatment \$85

Ultrasound facial treatment uses high frequency sounds waves at high levels that penetrated deep into the skin layers. Going beyond the superficial layers of the skin jump starting collagen production. Ultrasound also helps to reduce inflammation, promotes blood circulation, exfoliates the skin and helps push nutrients and serums deeper into the skin. This treatment is great for all skin types.

Microdermabrasion and Ultrasound \$160

For the ultimate results and your best face forward try both microdermabrasion and ultrasound together in one skincare treatment. Your skin will thank you by glowing!

Need some rest and relaxation for soul? Try a microdermabrasion, ultrasound treatment with a spa facial added for \$185.
